- H. ANIMALS EXPOSED TO RABIES:** Any person having knowledge of the existence of any animal known to have been, or suspected of being exposed to rabies must immediately report such knowledge to the ACA, giving any information that may be required. For any animal known to have been, or suspected of being exposed to rabies, the following rules apply. (reference Texas Administrative Code 169.30, Texas Health and Safety Code 826.041))

- B. ANIMAL SHELTER:** An animal shelter shall be utilized for the purpose of boarding and caring for any animal impounded under the provision of this ordinance. In lieu of an animal shelter, the County may contract with any licensed veterinarian or other licensed facility to provide this service at a fee mutually agreed upon and having a suitable facility within the County that has been approved by the Texas Department of Health.

- E. **REMOVAL OF ANIMALS FROM ANIMAL SHELTER:** It shall be unlawful for any person to remove any impounded animal from the animal shelter without the consent of the ACA/LRCA or other impoundment official or agency. If such animal is not wearing a current rabies tag and is not redeemed within three (3) business days, it shall be deemed abandoned. Said animal may then be placed for adoption, or the impoundment officer may humanely euthanize said animal.
- H. **DISPOSITION OF IMPOUNDED ANIMAL BEING HELD ON COMPLAINT:** If a complaint has been filed in a Justice Court of the County of Henderson against the owner/custodian of an impounded animal for violation of this ordinance, the animal shall not be released except on the order of the Court which may also direct the owner/custodian to pay any penalties for violation of this ordinance in addition to fair impoundment fees. The Court may order said animal to be euthanized in a humane manner upon making a finding that such animal is a dangerous or vicious animal or that it represents a clear and present danger or nuisance to the citizens or other animals in the community. Surrender of an animal by the owner/custodian thereof to the peace officer does not relieve or render the owner/custodian immune from the decision of the Court, nor to the fees and fines that may result from a violation of this ordinance.

## **Henderson County Animal Control Ordinance**

- I. **DISPOSITION OF DISEASED ANIMALS:** Any animal taken into custody by the animal control officer, except those animals which have inflicted bites on humans during the preceding ten (10) days and that are visibly affected with any sign of communicable disease other than rabies which are being held at the impounding facility, may, instead, of being impounded, be humanely destroyed provided that:

-

- J. Notwithstanding the above, a dangerous dog or a dog that is a danger to other animals must be restrained at all times by a secure leash or be kept in a secure enclosure.
- K. Improper tethering shall be considered a Class C misdemeanor.
- L. Any vicious animal found running at large may be ordered destroyed by any peace officer in the interest of public safety.

This animal must be removed immediately following receipt of such order even if an appeal is initiated. This order may be appealed in writing within fifteen (15) days after the date the owner/custodian is notified to a justice or county court. An owner/custodian may appeal the decision of the justice or county court in the same manner as appeal for other cases from the justice or county court.
